

Dear participant,

the school is getting quite close and we would like to give you the last details before seeing you in Trento.

As already announced, you will be lodged at Hotel Adige in Mattarello, south outskirts of Trento (www.adigehotel.it/en/). Reaching the location is quite straightforward:

* by car: exit the motorway at Trento sud and follow the sign “tutte le direzioni” (first exit). At the roundabout follow the direction Trento Sud – Altopiano Vigolana (fourth exit). You will find another roundabout (you cannot miss it as you will clearly see a Mc Donald’s there): follow the direction Mattarello (first exit). Drive straight on for about 1 km and you will find Hotel Adige on your left: parking is available.

* by train/bus: at the train station you can take the Trentino Trasporti orange bus number 8 (direction Mattarello). Tickets can be bought inside the train station (southernmost part of the hall, i.e. on your right when coming out). The departure times for the stop “Piazza Dante “Stazione FS””, just outside the train station, is:

for lun-ven (feriale) and weekend (festivo). The stop closest to the hotel are “Mattarello RONCHI” (ca. 100m before the hotel) and “Mattarello VIA NAZIONALE” (ca. 200 m after the hotel) .The hotel is on the left side of the road. The complete timetable for the bus can be found at:

There is some limited availability of a shuttle to pick you up from the hotel on a first-come first-served basis (+39 0461 944545)

* by taxi: the ride is quite short (10 minutes) and should cost ca. 15 Euros.

The registration will open in the afternoon of the 15th in the hall of the hotel. You will be given full information on the detailed schedule of each day, as well as a printed booklet with the lecture notes. Besides this, an electronic copy of the booklet will be available. All material and installation files of the software used during the school is available on dropbox at:

<https://www.dropbox.com/sh/jyv0yb3nmh7sch7/gWcumgW49i>

The folder is quite large (250+ MB). The same folder will be available on a local area network at the school (so you can pick up only the things you need) and on USB sticks as well.

If you feel confident, just follow the instruction given on the site and install the software packages beforehand. Should you need some help, just ask for that during the registration so you will be ready for the practical sessions or to work on the software on your own.

As you can see from the website, the hotel has a top class wellness centre. We have been able to get a special discounted price to access the wellness centre (10 Euros per day, to be paid directly at the hotel). If you are interested, just ask the reception and remember to quote the fact that you are part of this school. Wear your badge at any time so you will be recognised!

We wish you a safe trip and see you in Trento at the end of the week!
